

Beech Hill Families,

We would like to take an opportunity to welcome you to the 2019-2020 school year and provide you with some information about the PTA. As a group, the PTA (Parent-Teacher Association) shares a main focus on children; the children in your home and in our school. Whether you are new to the Beech Hill Family or have a seasoned Beacon at the school, we want to thank you for your contributions, time, and commitment to our organization, our team, and most importantly, our students.

The PTA is an organization of parents and teachers, whose goal is to foster a nurturing and caring environment that strives for continued parent involvement in helping build and support the education environment for our children. We also promote a school community where teachers and administrators can do their best work with the resources we can provide and enhance each child's learning experience. Through fundraising efforts, the PTA is able to donate funds to purchase education materials, equipment, provide grants for teachers, and much more.

In an effort to bring the groups of teachers and parents together, the PTA provides information and resources through email, newsletters, family programs and events, parent meetings, and other communication channels. We would love for you to consider being a part of this team, as there are endless possibilities as to how you can support the school! We are looking forward to another successful and exciting year at Beech Hill Elementary, and we hope to get to know YOU!
