

Our Class Constitution

In order to have fun and learn as a team, we will follow these rules and show JPES PRIDE...

**Listen when our teacher is talking.*

**Follow directions quickly.*

**Keep our hands and feet to self.*

**Always be safe, be kind, and be honest.*

**Respect others, respect ourselves, and respect our school.*

By doing these things we will promote a happy, safe, learning environment where we can be a school family!
