## Report of Principal and School Improvement Council

Gregg Middle School, located in a suburban area of Summerville, is one of six middle schools in Dorchester School District Two. We currently have 59 teachers, serving approximately 915 students in grades $6-8$. We utilize a team concept, with each grade structured as a school within a school including its own administrator, guidance counselor, and special education personnel. To ensure that GMS students are exposed to culture and life skills, related arts courses are offered at each grade level. Gifted courses are also offered to enhance our standards-based instruction. Our mission is to provide a safe and structured learning environment with the support and collaboration of the students, faculty and staff, parents and community. The GMS family will promote high expectations for student achievement and character development in order to encourage successful leaders for our future society.

Gregg Middle School is very proud to have earned a Good absolute rating this past year on the SC Annual School Report Card. We also met 20 of 21 objectives for Adequate Yearly Progress (AYP). Our students have excelled in many academic, athletic, and artistic areas. Nearly half of the eighth grade students are currently enrolled in high school credit courses. Twelve students qualified as SC Junior Scholars, and four students were named Duke Tip Scholars. Three 7th grade students placed 1st, 2nd, and 3rd in the 2009 Fleet Reserve Association Essay Contest. A special needs student won 2nd place in the Extraordinary Arts Exhibit Awards. Four students were in the Region Four All-State Band. Additionally, Gregg Middle School was also awarded a three-year Distinguished Arts Program grant for dance and theater. Our students enjoyed participating in the district's middle school athletic programs, with our girls baseball team winning the district championship. In addition, our boys baseball, basketball, and wrestling teams earned runners-up in the district championships, as did our girls basketball team. We were also able to renovate our media center and purchase a new school sign thanks to a $\$ 10,000$ gift from our PTSA.

To overcome our challenges we have implemented an Inclusion Model and a mentoring program for targeted subgroups. We also offer students scoring "Not Met" on PASS a computer-based, supplemental semester-long course focusing on math. In addition, we continue to offer the Read 180 Program for struggling readers and encourage our students to read through Reading Counts. We are continuing a school-wide technology plan highlighting Smart Boards, Senteo Interactive Response Systems (clickers), Sharepoint, an intranet site for sharing lessons, and a digital-based morning show produced by the students. This past year, we focused on teacher collaboration, mid-quarter, and quarter benchmark testing, and development of a strong Professional Learning Community to ensure our students' learning.

At GMS, we are continuing to strive for excellence and to make a difference in the lives of our students.
