

Bus Information for Rollings Middle School of the Arts

Overview of Changed Busing Plan for RMSA 2018 - 2019

BUS PLAN OVERVIEW

The Dorchester School District Two Board of Trustees approved a plan to bus Rollings students to and from their neighborhoods using dedicated buses. To effect this plan required a change to the RMSA bell schedule. Rollings will now operate on the High School bell schedule (8:55AM class start time and 3:55PM class end time). Please contact Rollings Middle School of the Arts for further detail on the bell schedule.

For 2018-2019 we are pleased to announce school bus transportation will be from your student's neighborhood to RMSA and from RMSA back to your neighborhood using a designated school bus. That means it will not be combined with elementary or other middle school students and your student will not have a layover at another school or have to change buses.

You can view school bus routes with bus stop times [here](#).

If you have questions concerning the change to busing, please contact us at 843-873-6196.
