Our Inductees are welcome to invite family to this special event. Inductees should arrive by 5:30 and gather in the Cafeteria.

Appropriate dress for young ladies: Dresses, skirts, slacks. Blouse or top. School dress code is in effect. Important note: Please consider your shoe choice carefully. High-heeled shoes are not recommended. You will be going up and down steps and across the stage. Flats or low-platforms are preferred.

MEETING PLACE:

All inductees are to meet in the cafeteria by 5:30pm. You will line up alphabetically by last name. There will be pledge cards on a table for you. Please take one and keep it with you!

PROCESSION:

After we have lined up alphabetically in the cafeteria, you will be led to the gym. We will be sitting in the front section. As you walk in, you will sit next to the person in front of you, filling in each row. Stay in alphabetical order, please.

WHAT HAPPENS DURING THE INDUCTION?

After you are all seated in the front section, the Induction Ceremony will begin. The program consists of a lot of inspirational information given to you from the faculty advisors, a welcome message from Dr. Leviner, and some National-level procedural tasks. During all of this, it is very important that you remain seated and quiet! Set a good example for the people next to you.

At one point during the ceremony, we will ask you to stand and read your pledge. Note: you will have brought your pledge cards from the Cafeteria. Please read from your cards together as a group.

Finally, after the Lighting of the Candles, you will be asked to proceed onto the stage. You will shake hands with Dr. Leviner and the members of the Faculty Council, collect your certificate and go back to your seat and sit down. Note: These are not your real certificates! Your real certificates will be presented to you, after officers have been elected, at a later date.

AFTER THE INDUCTION CEREMONY

Please have cake and celebrate with your family! Congratulations!
