

Summer School @ OMS 2019

Summer School routes are listed below with the stop location and the estimated stop time. The stops will be visited each morning for the first week unless it is established the student will not be using bus service. The second week the only stops visited will be the stops having students that ride the bus. The times will change accordingly. The driver will let your student know the changed estimated stop time to their bus stop. As during the school year your student should be at the bus stop approx. 10 minutes prior to the estimated stop time to help ensure their safety to the bus stop. We are looking Thank you for your patience with this summer process
