

Dorchester School District Two is offering a wonderful opportunity to participate in a FREE virtual learning experience for elementary students! Summer Enrichment (SE) is designed to enrich student learning in all subject areas, prevent instructional loss over the summer, and expose students to 21st century learning. All students have access to SE programs beginning today through August 2, 2019. Prizes will be awarded for active participation in the featured programs.

Students will have an opportunity to explore the following:

- ❖ **Waterford** (Reading, Math, and Science activities)
- ❖ **Compass Learning Odyssey** (Reading and Math standards-based lessons and games)
- ❖ **Online eBook Library with Overdrive** (Hundreds of free eBooks and audiobooks)

PARENTS:

To register and receive weekly emails with the latest information regarding online summer enrichment, please complete the registration form on the Summer Enrichment website or use this direct link: <https://forms.gle/571VWTM7ducSGNEs9>

Participate throughout the summer for a chance to win prize giveaways.

Home Access: Parent Instructions

Students can now access Waterford Early Learning at home. Proper set-up will make it easy for your child to begin a session on their own with just a few clicks.

PARENTS

Activate your child's account.

1. Open the Home Access email you received from Waterford.
2. Click on the **Waterford Home Access** link.
3. Validate your child's account by entering their birthdate. **(A)** This only needs to be done on first login, or when the passcode is reset.

4. Allow your child to select a passcode. **(B)**
5. Click **Save**.
6. Bookmark the link. **(C)** Make sure the bookmark bar is visible. **(D)**.

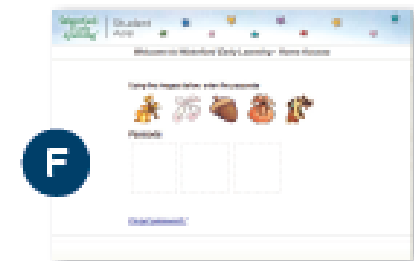

STUDENTS

Show your child how to start a session.

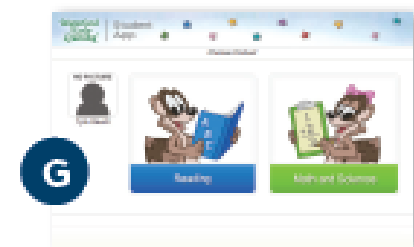

1. Click the bookmark. **(E)**

2. Enter the passcode. **(F)**

3. Choose a course. **(G)**

Troubleshooting

If you did not receive an email from Waterford, please contact one of the Dorchester School District Two employees listed below. You may also contact them for general troubleshooting.

Through June 7th, contact your school's Instructional Technology Specialist. After June 7th, contact Kristen Tyner at kytyner@dorchester2.k12.sc.us. You may also visit <http://help.waterford.org/frequently-asked-questions/>.
