

Dorchester School District Two is offering a wonderful opportunity to participate in a FREE virtual learning experience for elementary students! Summer Enrichment (SE) is designed to enrich student learning in all subject areas, prevent instructional loss over the summer, and expose students to 21st century learning. All students have access to SE programs beginning today through August 2, 2019. Prizes will be awarded for active participation in the featured programs.

**With a variety of online learning resources, our students will have an opportunity to explore the following featured programs:**

- ❖ **Individualized Math and Reading** (Utilize instructional programs such as **Compass Learning** and/or **Imagine Learning**.)
- ❖ **Online eBook Library with Overdrive** (Access hundreds of free eBooks and audiobooks on your computer or mobile device.)
- ❖ **Math Facts Practice with FASTT Math** (Become a fluent mathematician.)
- ❖ **Typing Quest** (Practice typing skills.)

**PARENTS:**

To register and receive weekly emails with the latest information regarding online summer enrichment, please complete the registration form on the Summer Enrichment website or use this direct link: <https://forms.gle/571VWTM7ducSGNEs9>.

**Participate throughout the summer for a chance to win prize giveaways.**
