

## **FOREIGN EXCHANGE STUDENTS**

Dorchester School District Two is accepting applications for Foreign Exchange Students for the 2019-2020 school year. Applications will be accepted until May 15, 2019. Guidelines for this program are as follows:

- The District will admit a limited number of students from foreign countries to attend district high schools that are the age of eligibility and that are participating in a student foreign exchange program designated by the U.S. Department of State.
- The District will be allowed to accommodate no more than a total of four exchange students at each of the district's high schools in a given school year.
- Arrangements for foreign exchange students should be made at least three months in advance.
- Host families must reside within the boundaries of Dorchester School District Two in order to place a student in one of the district's high schools.
- All school rules will be adhered to by participating exchange students.
- Students will be placed in a junior (eleventh grade) homeroom and will not be permitted to participate in graduation exercises and senior activities.
- A South Carolina High School diploma will not be awarded to foreign exchange students.
- Students are placed for the full academic year.

Those interested in participating in the Dorchester School District Two foreign exchange student program should send applications no later than May 15, 2019 to:
