

Dorchester School District Two
Summerville, South Carolina
Partners In Education
Agreement
2021-2022

WHEREAS, public education in Dorchester School District Two has been identified as a top priority of the local business community; and,

WHEREAS, in order to foster greater understanding of the public schools of Dorchester School District Two, the school district has initiated a program hereafter known as:

PARTNERS IN EDUCATION

THEREFORE, let it be known that

AND

Have entered into a partnership of mutual trust and concern for the purpose of providing assistance to meet the needs and interests of the school/program and business as determined and mutually agreed upon by the principal and school/program representative working with the designated business representative.

THEREFORE, said school/program and business are committed to improving public education and strengthening community pride, thereby improving the quality of life in the Greater Summerville area.
