

Common Prepositions

Name: _____

Every sentence has to have a subject (a person or thing) and a verb (what that person or thing does.) But a very good sentence has more than just a simple subject and verb. Other kinds of words help make the sentence more exciting. A **preposition** can tell us more information about what is happening and when.

Many of the prepositions that we use a lot are prepositions that tell **where**. Others give us more information about the subject.

Use the common prepositions from the word bank to complete the sentences.

Word Bank
