

Chemistry Distance Learning Assignments Part 2: April 1-April 30

Dear Students/Parents/Guardians:

The learning activities included in this packet include review material from quarters 1-3. Everything in the packet is also accessible online on the ARHS webpage and through your teacher's communication platform (Remind, Microsoft Teams, Google Drive). Please refer to the chart below if you need to contact your teacher and/or access any of these materials.

Chemistry Teacher	Email address	Online Platform in Addition to the ARHS Webpage
Lindsey Jutzeler	ljutzeler@dorchester2.k12.sc.us	Remind: text @cpchemfox to 81010 Microsoft Teams—access directions on ARHS webpage
Laura Martin-Lauzer	lmartinlauzer@dorchester2.k12.sc.us	Remind: text @chemlml to 81010
Ray Wilson	pwilson@dorchester2.k12.sc.us	Microsoft Teams—access directions on ARHS webpage
Christopher Williams	chrwilliams@dorchester2.k12.sc.us	Remind: text @crwchema (for A-day) or @crwchemb (for B-day) to 81010

For this packet, students will have two options depending on your internet and personal device needs. The length of each assignment is the same and both assignments cover the same learning objectives and content. Students should choose the option that best fits their individual needs.

Please use the checklist below to pace your activities. It is not necessary, nor is it expected for students to complete all parts of the assignment in a few days or one week.

As indicated by the checklist, please submit the listed assignment by the specified date. **Students will receive specific instructions through the aforementioned platforms about how to submit their completed work.** The attachments can be printed, or students may complete their work on a separate sheet of paper. If work is completed on a separate sheet of paper, please label the paper with the title of the assignment and the student's name and class period.

Option #1—Internet Based (computer, tablet, or phone)

- Watch *The Poisoner's Handbook* ~ 2 hours divided into 5 sections → YouTube link provided on handout
- Answer ALL questions that accompany each section.

Option #2—Internet NOT Required

- Nomenclature and Stoichiometry Review
- Answer the chemistry review questions from *The Poisoner's Handbook*. These questions do NOT require you to watch the movie.
- The Chemistry Review Questions are listed on each section of *The Poisoner's Handbook* handout.

Chemistry Assignments Checklist

Date	Option #1 Assignment Internet	Option #2 Assignment No Internet	Due Date
Day 1 B: 4/1 A: 4/2	Watch Section #1 of TPH Answer Section #1 Questions 1-14	Nomenclature Review #1	Submit Assignments from Packet #1 3/16 - 3/31
Day 2 B: 4/3 A: 4/6	Answer Section #1 Questions 14-28	Answer Section #1 Questions 6-17 Answer Section #1 Questions 23-25	April 6 th Submit Section #1 Work Both options
Day 3 B: 4/7 A: 4/8	Watch Section #2 of TPH Answer Section #2 Questions 1-10	Nomenclature Review #2	April 10 th
Day 4 B: 4/9 A: 4/10	Answer Section #2 Questions 11-22	Answer Section #2 Questions 4-10 Answer Section #2 Questions 17-22	April 10 th Submit Section #2 Work Both options
Day 5 B: 4/20 A: 4/21	Watch Section #3 of TPH Answer Section #3 Questions 1-18	Stoichiometry Review #3	April 24 th
Day 6 B: 4/22 A: 4/23	Answer Section #3 Questions 19-32	Answer Section #3 Questions: 7-11, 18-23, 26-32	April 24 th Submit Section #3 Work Both options
Day 7 B: 4/24 A: 4/27	Watch Section #4 of TPH Answer Section #4 Questions ALL	Answer Section #4 Questions: 7-10 and 18-21	April 29 th Submit Section #4 Work Both Options
Day 8 B: 4/28 A: 4/29	Watch Section #5 of TPH Answer Section #5 Questions ALL	Answer Section #5 Questions: 8-14 and 19-25	May 1 st Submit Section #5 Work Both options
Day 9 B: 4/30 A: 5/1	Finish any work & submit section #5	Finish any work & submit section #5	May 1 st Submit Section #5 Work Both options

We hope everyone is safe and well. The next few weeks will continue to be an adjustment for all of us. Please know that we will work with students in whatever capacity we can. Our students' emotional well-being is as important to us as students' academic pursuits. Please reach out if you have questions or concerns.

Your ARHS Chemistry Team
