AP Chemistry Distance Learning Assignments Part 2: April 1st – 30th

Teacher Email: ljutzeler@dorchester2.k12.sc.us

Remind: Text @apchemfox to 81010

Office Hours: 10:00-11:00 AM and 2:00-3:00 p.m. M-F

Phone: 843-452-9314

Microsoft Teams

Required Work

The assignments outlined in the checklist below are specifically designed for AP Chemistry exam review. Currently, we do not know the two possible exam dates, however, information should be forthcoming by April 3rd. We do know that the exam is FRQ based and should be approximately 45 minutes and cover units 1-7. The unit outline has been posted on Teams, the ARHS webpage, and on Remind.

Please follow the schedule given below. The assignments have been posted on Teams and will be sent through Remind. **The assignments do NOT need to be printed.** Write your responses on notebook paper. You may turn in assignments as you finish them. Take a picture or scan of your work and submit it via Teams. If you do not have access to Teams, you may email a copy of your work

AP Chemistry Assignments Checklist

Date	Assignment	Question Numbers	Due Date
Day 1 4/1	Finish any work from 3/16-3/31 Watch the review videos for Unit 1	Link for AP Chemistry Review Videos https://tinyurl.com/APChemFox	N/A
