Students who do not feel well need to see the nurse and the nurse will contact the parent, if needed.

GUIDANCE

The Guidance Department at Alston Middle is an integral part of the total educational effort. Efforts are made to assist each student in self-exploration, to adjust to his/her present environment, and to plan realistically for the future.

If a student desires to meet with his/her counselor, he/she should complete a guidance gram that may be obtained from any teacher or the front office. The counselors will meet with all classes to introduce the guidance program at the beginning of the school year.

ID Badges are the property of AMS and must be surrendered upon staff request. Students are required to have their ID badge with them at all times. Failure to do so may result in disciplinary action. If a student loses his/her identification badge, he/she is required to purchase a new ID for \$5.00. *Students may not carry obligations for IDs in excess of \$10.00.*

STUDENT AGENDA BOOKS / HALL PASS

The Student Hall Pass is contained within the Student Agenda. Students should only use their pass cards to be dismissed from class for emergencies or for official school business. Students are responsible for bringing their Agenda Book to school each day. In the case of a lost Agenda Book, students may purchase one additional Agenda Book from the front office for \$5.00.

TEXTBOOKS

All non-consumable textbooks are provided rent-free by the State. Each pupil is responsible for the care of his/her books and will be held accountable for loss, damage, or destruction of a book. Students must pay for books that are lost or stolen so that a new book can be issued. Refunds are made only when the lost or missing book is found and returned to the office with the original receipt issued.

HOMEWORK POLICY

If a student is absent from school, he/she is expected to make up all missed work in a timely manner. A student has 3 days to make up missed work from the day that he/she returns to school. Work assigned prior to the day of absence will be due upon returning to school. If you expect to be out of school for an extended period of time, parents should contact the school to request make-up work. Please allow 24 hours for teachers to collect the required assignments

LOCKERS

1. Lockers are the possession of the school and are subject to search by school authorities.
2. Students are to use their lockers at times designated by administrators or by their teachers.
3. There is no sharing of lockers or combinations
4. AMS cannot assume responsibility for items lost or stolen from your locker including your textbooks.
5. No private locks allowed on lockers. Use the combination
6. Do not deface your locker.
7. If you are having problems with your locker, report it to your first period teacher.
8. You may place shelves in your locker.
9. Abuse of the locker privilege may result in losing the use of a locker.

EMERGENCY DRILLS

District Two schools comply with regulations concerning the conduct of emergency drills. Fire, tornado, and earthquake drills will be practiced throughout the school year. Instructions for these drills will be reviewed with students periodically.

BICYCLES AND SKATEBOARDS

Bike riders will park their bicycles in the designated area in the front of the school. All bikes **MUST** be locked with a strong, secure lock when they are brought to school. AMS cannot assume responsibility for bicycles that may be stolen from school.

We strongly discourage the use of skateboards as a means of transportation to school. For those students who do ride their skateboards to school, they must secure their skateboard in their lockers when they arrive at school and may only retrieve their skateboard at the end of the school

day. Students may not ride their skateboards on campus before, during, or after school. Skateboards may not be taken on board a school bus.

CAFETERIA

A free or reduced lunch program is also available to families who qualify. An application is included in each student's registration packet or can be picked up in the office. It takes approximately 10 days for the district to process the application. A letter will be sent to the student's home notifying him/her of qualification. Until that time, the student **MUST** bring his/her lunch or money to purchase a lunch. **NO CHARGING of meals will be allowed.** In emergency situations, parents must contact the school in order to develop an appropriate payment plan. Meals may be paid for in advance on a weekly or monthly basis. Extra sale items may be available to purchase. Students will be required to pay for the extra sales at the time of purchase, as they will not be allowed to use money on their lunch account to pay for these items.

Prices are as follows:

Breakfast: \$1.45 Reduced Price \$.30

Lunch \$2.45 Reduced Price \$.40

****Prices are subject to change due to federal regulations.**

FEES

Each year, upon registration, a \$20 fee is required of each student enrolled in Dorchester School District Two. Student fees are set by the District Two School Board with advice from the administration. During the school year, other fees may be collected for special programs or field trips. Individual teachers will inform parents of these fees and for what purpose the fee is being collected. Parents and students are reminded that **NO REFUNDS WILL BE GIVEN FOR ANY OF THESE FEES.**

GIFTED PROGRAMS

Details of the referral/selection process are included in the District Two Student Handbook. For further information, contact the Coordinator of Gifted Programs, at 821-3960.

TIGER PRIDE

Alston Middle School takes a proactive approach to school-wide discipline. At AMS, teachers, administrators, counselors, support staff, and students will work together to develop consistent expectations for all students in all areas of our building. Students will receive direct instruction through classroom lessons, modeling, and practice. Students who demonstrate the expected positive behavior will be acknowledged. Furthermore, students will know the specific consequences that will result when they choose not to demonstrate expected behaviors.

The three main areas that define our school-wide expectations are practicing Respect, Responsibility, and Safety in different environments.

Respect: Respect is treating others as you would like to be treated. It is being considerate of other people's feelings. It means recognizing the value of people, property, and yourself. Learning occurs when we show respect to others.

Responsibility: We will do our job correctly and on time. We will be truthful, trustworthy, and reliable.

Safety: We will take the initiative to act and to re-act in a safe manner.

DAILY STUDENT PROCEDURES

Students may start entering the school at 7:50 a.m.

Students who eat breakfast at school:

Walkers are to enter the front doors according to their assigned grade-level door.

Bus and car riders enter the doors of the cafeteria by the bus/car rider loop.

- Students should report directly to the cafeteria before going to class or lockers.
- Students must clean up their area when finished eating, immediately go to their lockers to get materials, report immediately to homeroom, and be seated.

Students who do not eat breakfast:

Walkers only: (a walker is defined as a student who does not receive official bus transportation, not a student who elects not to ride the bus.)

- **8th graders** enter the building through the 8th grade hallway entrance in the front of the school. (HWY 78 side)
- **7th graders** enter the building through the doors at the front office.
- **6th graders** enter the building through the 6th grade hallway the front of the school. (Sam Clark Loop Side)

Bus riders:

- **7th graders** enter the building through the cafeteria, then proceed toward main lobby and 7th grade hall.
- **6th graders** enter the building through the cafeteria, then proceed past the gym to the 6th grade hall.

Further Information

Once students enter school, they will go to their lockers and then immediately report to their homeroom. They may only leave their homeroom after obtaining a pass from their homeroom teacher.

- Once students are in the classroom, they will sit in their assigned desk.

- If it is raining, all car and bus riders will enter the building through the art wing or gym.
- Each Team will establish locker procedures based on their needs and schedule.
- Students are NOT to be dropped off in the front of the school before 7:50 am, unless they have a tutoring appointment / meeting with a teacher and have a written note from the teacher to present to office staff.
- Students should not be dropped off in the street or across the street from the school.
- Failure to follow the morning drop off procedures will result in disciplinary action.
- All car riders must be dropped off on the car rider loop (Sam Clark Loop).
- Students may not be dropped off on a side street and walk the remainder of the way to school.

STUDENT BUS PROCEDURES

Procedures to deal with misconduct on the buses.

Drivers will work directly with students to correct misconduct. When attempted correction does not remedy the situation, the driver is required by South Carolina law to report non-compliance with his/her lawful instructions and/or misconduct on the bus to the school principal. Buses are equipped with video surveillance equipment to assist principals in addressing student conduct issues. Bus riders will be denied bus privileges if their behavior is unacceptable or infringes on the rights of other bus riders. It will be the responsibility of the parent or guardian to provide transportation to school during the suspension period. **For the safety of all students, school administrators will follow these guidelines for addressing referrals for misconduct on the bus:**

First Referral: Warning and parent notification of consequences for future incidents

Second Referral: One (1) to five (5) days' suspension from bus

Third Referral: Five (5) to ten (10) days' suspension from bus

Fourth Referral: Ten (10) to thirty (30) days' suspension from bus

Fifth Referral: Loss of bus privileges for the remainder of the school year.

REQUESTS FOR TEMPORARY CHANGE OF TRANSPORTATION

Requests to change transportation routes for either special circumstances or on a temporary basis need to be approved by administration. Requests for transportation must be in the form of a written note from the student's parent/guardian with a phone number for the office to call and receive verbal confirmation of the request made.

These requests must be submitted to the front office in the morning so that the request can be verified. This process helps ensure students' safety. Please know that we cannot make bus/transportation changes over the

phone. Students should NEVER take it upon themselves to get on a bus to ride home with a friend. Please see the DD Two Handbook for specific bus policies. A student needing a multi-day, temporary bus change should complete a "Temporary Bus Rider Verification Form." This form is available in the Front Office.

SCHOOL DISMISSAL PROCEDURES

Announcements:

- Students will remain quietly in their seat in order to hear the announcements.
- Students will not have an opportunity to go to their locker once they are dismissed from 8th period class.
- Any student changing his/her mode of transportation must provide administration with a parent note stating the specific change. These requests must be submitted in the morning (by 8:30 am).

Car Riders:

- Car Riders must use the Sam Clark Loop. Failure to do so will result in disciplinary action.
- Students should NOT be picked up by parents in front of school, back parking lot, or on side streets. This is a safety precaution. Failure to follow this school procedure will result in disciplinary action.
- Front parking can be used if a parent has an appointment or is signing a child out before 2:45 pm.

Walkers (a walker is defined as a student who resides in an attendance zone which is not provided official bus transportation. A walker is not defined as a person who elects not to ride the bus.)

- Walkers must exit using the front entrances of the school.
- Walkers are not allowed for any reason to be near the bus loop.
- Walkers should not linger or wait for others.
- Walkers should not be picked up by parents on the side streets. This is a safety precaution. If a walker needs to be a car rider, a note should be sent to administration and parents need to follow all car rider procedures.

Bus Riders

- Students will remain in their 8th period class quietly in their seats waiting for an announcement of buses that have arrived to AMS and are ready to load.
- Once a student's bus number is called/displayed, students will exit using their designated route by their grade level to the buses
- Students whose buses were not announced as present should remain seated and orderly. It is very important to listen/watch for your bus

number. Students whose buses have not arrived yet should not be in the bus loop and could face disciplinary action for not following this procedure.

SCHOOL NURSE PROCEDURES

If a student receives daily medication from the school nurse, a scheduled time to receive that medication will be established by the nurse based on the student's needs.

The school nurse will notify the appropriate teacher of the distribution schedule.

All information regarding a student's medication and / or reason for taking medication is confidential information. Teachers will be informed on a need to know basis.

If a student is not feeling well, becomes sick, or obtains a minor injury while at school, the student will inform their teacher or staff member of the situation. The teacher or staff member will then write the student a pass or call the front office to notify the nurse of the situation.

- Students are not to go to the school nurse without obtaining permission.
- If the student notifies a staff member instead of their teacher, that staff member will notify the classroom teacher so that the student is accounted for.

If an emergency situation arises, the student will notify a teacher or staff member. That teacher or staff member will call the front office to notify the school nurse.

If due to the nature of the emergency, the student should not be moved, the teacher or staff member will contact the front office so the school nurse can be notified and the nurse will come to the student.

MEDIA CENTER PROCEDURES

- Students must have permission to print in the Media Center. Only school-related documents may be printed.
- When entering the Media Center without a teacher, students must show their passes, state their purpose, and sign in at the designated sign-in computer.
- Once in the media center, students will use a quiet or whispered voice at all times.
- When checking out a book, students will bring the book to the front counter and have their ID ready to check out the book.
- When returning books, students will return the book to the designated location in the media center.
- If a student needs to go to the media center for any reason when the class is not going as a whole, the student will obtain a pass from their teacher.
- The Media Center's computers are to be used for class assignments. Students may not use them for "free time" to play games.

ELECTRONIC DEVICES

See District Handbook

Students are NOT allowed to have any electronic devices at school or on the bus without written permission from the principal. Electronic devices include (but are not limited to) cell phones, blue tooth speakers, headphones, cameras, computers, laptops, game devices and laser pointers. The following are specific consequences for not following this policy:

1st Offense- Electronic device will be confiscated. A parent or guardian must pick up the electronic device from the school.

Repeat Offenses- Electronic device will be confiscated. There will be a **\$25 fine**, AND a parent must pick up the electronic device from the school. Confiscated phones will not be returned to the student. The fine must be paid before the device will be returned. Parents also have the option of picking up any confiscated device on the last day of school at no cost. Monies accrued from fines are used to update security and safety measures at AMS. Failure to comply with handing over electronic devices are a school disciplinary infraction.

Refusal to hand over an electronic device is a code of conduct violation and will result in school suspension for refusal to obey and a financial obligation of \$25 for the electronic violation will also be placed on the student account.

ACCEPTABLE USE POLICY

Dorchester School District Two has adopted a policy governing the use of Internet in all District Two Schools. Students cannot use the school system to access pornographic sites, hate sites, lewd or profane materials, email, chat rooms, or another person's account; cannot use it to purchase or sell items; cannot deliberately disrupt the computer system or destroy data by spreading viruses, engage in political lobbying, post chain letters or annoying messages on the Internet, or post personal information about themselves (name, address, phone number, school name, etc.). Surfing the Internet is not permitted. Students must use the Internet for research activities assigned by the teacher.

Students who violate the Acceptable Use Policy will lose their Internet privileges, will be referred for discipline, and could be suspended from school depending on the nature of the infraction. Multimedia/computer Lab Computer use guidelines apply to the media center computers. Some general rules are:

- No altering of equipment (hardware or software) except as instructed in course assignments. This includes changing cables, changing switches/options, modifying operating system, application software, etc.
- No removal of equipment (hardware, software, or documentation) from the Multimedia Lab except copies of software as authorized by the instructor.

- All hardware and software problems should be reported immediately to the teacher. Only authorized software is allowed in the lab.
- No "hacking" or accessing unauthorized drives or programs.
- Students will be financially responsible for any damage or items (mouse, etc) removed.

The House System

Alston Middle School strives to provide all students with the skills and opportunities necessary to become productive citizens. This House System helps us accomplish our mission by providing opportunities for students to practice “real world” skills of collaboration, self-efficacy, goal-setting, and teamwork.

The Alston Middle School House System

All students and staff are divided into three “Houses.” Students will grow, compete, and collaborate within their House throughout their three years at AMS. The major benefits of this system include:

- | | |
|---------------------------------------|--|
| Positive peer interactions | Greater rapport with all staff |
| Leadership opportunities for students | School and community service opportunities |
| School-spirited competition | Greater student advocacy |

Each House is identified by a scientific name of a tiger. Houses are represented by individual logos based on our school mascot. Each House will have a specific identifying accent color to accompany the school colors of black and gold. Students are sorted into Houses as follows:

- House Balica (Bali Tiger) Student’s last name **A-G** Color- Blue
- House Corbetti (Indochinese Tiger) Student’s last name **H-O** Color- Red
- House Sumatra (Sumatran Tiger) Student’s last name **P-Z** Color- Green

House Organization

House Dens

All students will be assigned to a House den at the beginning of the year. Each den will include students from all three grade levels from the same House. Dens will be used to plan, organize, mentor, teach, and coordinate various events. Students will remain in this den throughout their tenure at AMS.

House Events

Students will participate within their House in a variety of events and competitions throughout the school year. These include:

- | | |
|------------------------------|--|
| Quarterly House Competitions | Monthly House and School Wide Events |
| House Philanthropies | Student Incentives (school store, popcorn) |
